Subject: Speaking inquiry

Gods blessing , We hope this message meets you in good health. I am Thabo Makgoba, Archbishop of Diocese of Christ the King, South Africa. On behalf of the Church, I am elated to inform you that we would love to engage your services to speak and educate our congregation as our goal of organizing this seminar is to enact success & leadership traits plus motivation in our congregation which consists business-minded personnels, sports aspiring youths and illustrious women. The event is billed for the Month of January

Please, we would gladly like for you to convey to us your availability for the month of January as it will well fit in your schedule.

Also, please we would as well appreciate if you get in-touch with us in ample time so we can start corresponding the details.

Thank you very much and expecting to hear from you soon.

Remain Blessed.
